Eric Berne (Key Figures in Counselling and Psychotherapy series) Ian Stewart

`Ian Stewart has done an outstanding job of presenting a comprehensive overview of Eric Berne, his life, his philosophy and his significant contributions to the fields of personality and psychotherapy... Stewart has made a significant and unique contribution to the literature of transactional analysis. This book deserves reading by all transactional analysts' - *Transactional Analysis Journal*

Eric Berne is probably still best known as the author of the bestselling **Games People Play**, yet his professional writings on transactional analysis fill several books and his practice of psychotherapy was distilled from more than thirty years' experience of work with clients.
