From Writing to Composing: An Introductory Composition Course Beverly Ingram, Carol King

This is the second edition of one of the first process-approach writing books written for lower-level students. From Writing to Composing interweaves structured guided writing activities with freer activities that use a multi-drafting approach. The first part of the book introduces different genres of writing. The second part teaches how to write paragraphs using different modes of rhetorical organization. Throughout the book, students build a portfolio of their writing.
