**How to Plan, Contract and Build Your Own Home, 2/e** Richard M. Scutella, David Heberle, Dave Heberle

Of the many important and potentially expensive details that are normally left to the discretion of builders, this guide is an invaluable source of information, advice, and inspiration. This expanded second edition features new material on the planning and purchase of major appliances, garage designs and enhancements, plumbing and electrical wiring, energy-saving lighting options, home safety and security measures, and much more. Plus, the authors take a fresh look at vacation homes, multi-family dwellings, solar-powered, underground, and kit structures.
