Son: A Psychopath and His Victims Jack Olsen

A classic from “the dean of true crime” (*The Washington Post*)—now with a new foreword—this 1983 masterpiece tells the incredible story of a Spokane, Washington serial rapist who was exposed as the handsome, privileged son of one of the city’s most elite families.

For more than two years, a rapist prowled the night streets of the homey, All-American city of Spokane, Washington, terrorizing women, sparking a run on gun stores, and finally causing one newspaper to offer a reward—the calls taken by the distinguished managing editor himself, Gordon Coe. In March 1981, luck and inspired police work at last produced an arrest, and Spokane shuddered. The suspect was clean cut and conservative...and Gordon Coe’s son.

For eighteen months, Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family, but how and why. He interviewed more than 150 people and built up a portrait not only of that extraordinary family, but of the mind of a psychopath. And searching the memories of the women in Fred Coe’s life, he unearthed a most horrifying question: What is it like to love and live with a man for years—and then discover he is a psychopathic criminal?

In this “gruesomely spellbinding” (*Glamour*) examination of the mind of a psychopath and of the women—and men—who were his victims, Olsen delivers “a harrowing portrait...It has become fashionable with books about vicious crimes to compare them to Truman Capote’s *In Cold Blood*. Finally there is a book that deserves the comparison” (*Richmond Times-Dispatch*).
