The Library of American Lives and Times use extensive primary resources as it brings American history to life for your students. Learn about some of the greatest players who helped in shaping America as it grew from a colony to a world super power. Through a chronological narrative, enriched with diary entries, letters, and other primary documents, students will learn about the various stages of our nation's development, as well as learning to think about history from the perspective of both individuals and society. By learning about history from a particular and unique biographical perspective, each student will learn about the following themes that form the framework for the social studies standards: Culture; People, Places, and Environments; Individual Development and Identity; Individuals, Groups, and Institutions; Power, Authority, and Governance; Production, Distribution, and Consumption; Global Connections: Civic Ideals and Practices. These books are comprehensive biographical treatments of important Americans, emphasizing not just their lives, but the times in which they lived. Betsy Ross - As the seamstress of the American flag, an enduring symbol of liberty and democracy, Betsy Ross is an integral part of the fabric of American history. Her life story transcends that one great symbol, though. She was a mother, a businesswoman, and a contemporary of George Washington. This biography of Betsy Ross is a window not only into the life of a proud and courageous woman, but also into the early days of our nation.
