## **Conversations with Scripture: 2 Isaiah** Stephen L. Cook

The God of Second Isaiah, the “Holy One of Israel,” is increasingly foreign to modern Anglicans, who are often uncomfortable with the uncanny, fiery side of God. Unfortunately, this may leave Anglicans frustrated both with God’s “non-rational” ways and with morality-centered Christianity.

The new research behind this book reveals Second Isaiah as priestly temple literature, expert at the Holy and its coming dawn on earth. Second Isaiah highlights priestly themes and quotes the temple texts to help readers approach that which is utterly mysterious. To study this material is to rediscover the overwhelming, absolute worth of God.
