He's determined to rescue her, whether she likes it or not.

Bucking family tradition, Dyre is determined to become his planet's first hero, even if it breaks his mother's heart. He sets out on numerous quests to bring justice to the universe. However, his altruism never seems to turn out quite as expected. Who knew doing the right thing was so hard?

In between saving those who don't want his help—and the chaos that follows—he rescues a damsel in distress. She doesn't appreciate his heroic abduction, and even worse, once Dyre gets to know the outspoken human, he entertains less-than-noble thoughts about ravishing her.

It takes only a couple of comical mishaps, some hot kisses, and danger for Dyre and Betty, to discover their happily ever after—and thank the stars for a heroine who ends up saving this hero, and the galaxy, from his chivalrous side.

Susan Spiegel:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore, this Heroic Abduction (Alien Abduction Book 5) can make you really feel more interested to read.
