Institutional Review Board: Member Handbook Elizabeth A. Bankert, Robert J. Amdur

Institutional Review Board: Member Handbook is designed to give IRB members the information they need to protect the rights and welfare of research subjects in a way that is both effective and efficient. Chapters are short and to the point with the goal of presenting practical advice on what IRB members should do before and during full-committee meetings. A large portion of the book is devoted to topic-specific chapters that list the criteria IRB members should use to determine how to vote on specific kinds of studies.
