Key Concepts in Childhood Studies (SAGE Key Concepts series) Allison James, Adrian L James

This book has already proved itself as a course adoption leader in Childhood Studies. All of the strengths of the First Edition have been retained. The book is comprehensive and judged with the needs of students in mind. It is a model of clarity and precision and has been acknowledged as such in reviews and course feedback.

The new edition thoroughly revises old entries and adds new ones. The book is the most accessible, relevant student introduction to this expanding, interdisciplinary field.
