St. Nick Alan Russell

When Santa Claus is a cop, you *better* watch out.

It's not looking like a very merry Christmas for San Diego cop Nick Pappas. Suspended from his job, alienated from his family, and persecuted by the press, he's sorely tempted to turn his gun on himself. Except for his first name, he couldn't possibly have less in common with jolly old St. Nicholas. But when a local mall decides it needs a secret Santa to help collar some vicious muggers preying on its holiday shoppers, Nick's persuaded to red-suit up so as to take the naughty punks down and avert a ho-ho homicide. For a chance to bust bad guys, Nick's willing to deal with crying kids, pushy parents, and a chronically cheerful "elf" sidekick. But the biggest challenge for this cop-turned-Claus is one that would confound even the real Kris Kringle: making a pair of next-to-impossible Christmas wishes come true for two children in need...before it's too late.

This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book.

From reader reviews:

Jesse Linder:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each publication has different aim or even goal; it means that e-book has different type. Some people experience enjoy to spend their a chance to read a book. They are really reading whatever they have because their hobby is reading a book. What about the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem or perhaps exercise. Well, probably you will need this St. Nick.

Richard Nix:

The book St. Nick give you a sense of feeling enjoy for your spare time. You can use to make your capable considerably more increase. Book can being your best friend when you getting anxiety or having big problem with your subject. If you can make reading a book St. Nick for being your habit, you can get more advantages, like add your capable, increase your knowledge about several or all subjects. You may know everything if you like open and read a e-book St. Nick. Kinds of book are several. It means that, science e-book or encyclopedia or other individuals. So , how do you think about this publication?

Michael Velez:

St. Nick can be one of your beginning books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but nonetheless delivering the information. The writer giving his/her effort to put every word into enjoyment arrangement in writing St. Nick yet doesn't forget the main stage, giving the reader the hottest and also based confirm resource data that maybe you can be among it. This great information can certainly drawn you into brand new stage of crucial imagining.

Ricardo Hempel:

This St. Nick is great publication for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can declare no rambling sentences in it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having St. Nick in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen small right but this e-book already do that. So , this really is good reading book. Heya Mr. and Mrs. active do you still doubt that will?
