An Introduction to Children with Language Disorders (4th Edition) (Allyn & Bacon Communication Sciences and Disorders)

Vicki A. Reed

An Introduction to Children with Language Disorders (4th Edition) (Allyn & Bacon Communication Sciences and Disorders) Vicki A. Reed

An excellent overview of the characteristics of language disorders in children paired with information on assessments and interventions.

The fourth edition of *An Introduction to Children with Language Disorders* provides readers with an in-depth and comprehensive overview that is unsurpassed in comparable texts. In three parts, this guide to child communication disorders presents the characteristics of common language disorders seen in children, discusses assessments for these disorders, and presents the most current information on language disorder intervention. In addition, this popular text covers topics often left out by similar books, such as special populations of children with language disorders, gifted children, children with other learning disabilities, children with cleft palates, bilingual children, and children with visual impairments.
