Developing and Managing Community Water Supplies

Jan Davis, Gerry Garvey, Michael Wood

Developing and Managing Community Water Supplies Jan Davis, Gerry Garvey, Michael Wood

Based on direct field experience and using short case studies, this book discusses the issues and stages in the development of water supplies, from the initiation of a programme through to the community management of a supply system. The importance of involving all the members of a community in decisions about water provision is emphasised, as is the need to incorporate hygiene education from the outset.
