Essential Bass Technique: The Definitive Technique Manual for Bass Guitar (Bass Instruction) Peter Murray

(Bass Instruction). Peter Murray's book, which scored an "A+" rating from Bass Player magazine, provides bassists with everything they need to know to play effectively, helping them master the basics, and then explore what's beyond. Essential to any bass player! "Once in a while, a book comes along that stands head and shoulders above the endless rows of 'method books' that fill the racks in music stores. This is one of those exceptional books. If you're a beginner, study of Murray's method could save you from countless hours of frustration (and possibly injury) by showing you the correct way to use your hands right from the start; if you're a more advanced player, it should help you to refine your ability and overcome the technical barriers that can block further development. Bravo!" Jim Roberts, Bass Player magazine
