Excerpt from Hot Corn: Life Scenes in New York Illustrated; Including the Story of Little Katy, Madalina, the Rag-Picker's Daughter, Wild Maggie, &C

The growing taste for works of this kind - works intended to promote temperance and virtue, to lift up the lowly, to expose to open day the hidden effects produced by Rum, to give narratives of misery suffered by the poor in this city -has induced the Publishers to offer liberal inducements to the author to use his powerful pen, and words of fire, to depict his "Life Scenes," and embody them in a volume, which, we are satisfied, will prove one of the most acceptable to the moral portion of the community, ever published. It is a work of high tone, that must do good. The peculiar style of the author is as original as the tales of truth which he narrates. It is unlike that of any other author, and every page is full of fresh interest and thrilling narrative.

As a temperance tale, it has no equal. As such, we hope it may prove but the commencement of a series. As an expose of life among the poor in this city, it will be read with deep and abiding interest, in all parts of this country. It is a work for the fireside of every family; a book that commends itself to the heart.

No one who has read the "Hot Corn Stories," as they appeared in the Tribune, but will rejoice to have the opportunity to possess them, and many more like them, all complete and connected, in one handsome volume, such as we now offer.
