## **I Was Once Like You: Before I Got Alzheimer's** Carolyn (Nesto) Haynali

These are short stories that I have written going on this long lonely journey of being a caregiver taking care of my husband Chuck. Try to imagine in your mind as you read these stories what I was going through each day. The Lord also blessed me with writing stories of my journey and poetry that has expressed my feeling as you read them throughout this book. I pray as you read these stories they will give you some insight, understanding and hope of what it's like for your loved one to have this disease, "Alzheimer's," and to not know you after being with them for so many years.
