The Reason Why I wrote This Book And Why You Must Read It Now!

Hello Minecrafters!

As the title says, I want to share with you the reason why I wrote this book

Well, this morning, I was trying to install the well-known Animal Bike mod in my computer, but after countless hours, I wasn't able to find shit but only a bunch of viruses and mods that didn't work at all. So in that moment of terrible frustration, I thought "Hey wait! how many people are facing the same problem that I'm facing right now? Just think about it, how many people wish to have access to the best Minecraft mods without spending hours and hours looking for them on the internet?" I'm one of them. Suddenly, the entrepreneur that lives inside of me shows itself and tells me "Hey Scott, why don't you spend some hours in front of your computer looking for the best Minecraft mods and write an e-book explaining how to access them? You will find a solution to the problem that you got this morning, for yourself and for others, and guess what? You can make some cash to buy the newest Call of Duty Black Ops." After hours and hours of research on the internet, I got for you the best Minecraft mods. Believe me. These mods will make your Minecraft game much better than you have ever imagined. Just think about it "Have you ever ridden a dragon? No right? Well, I have done it and as you might guess, it feels AMAZING. Just think about how jealous your friends are going to be when you upload on your Facebook or you Instagram a picture of your Minecraft character riding a dragon. Believe me I would be really jealous of you. **So what are you waiting for?**
