Report of the President's Commission on the Assassination of President John F. Kennedy With a New Introduction by Senator Arlen Specter The Warren Commission

The Warren Commission Report is the historic in-depth analysis by the government committee which investigated the assassination of President John F. Kennedy. It is a surprisingly readable document, providing numerous fascinating details about the tragic events of November 22, 1963, the people involved and the conclusions of the Commission. For anyone interested in American history in general and the death of a now-iconic President, this book is a compelling read. The additional insight provided in the new introduction by Senator Arlen Specter, who served the Commission as one of its young Assistant Counsel, is a rare peek into the internal workings of the Commission and the personalities of some of its key players.
