Resident Assessment and Monitoring for Long-Term Care: Essential Tools and Guidelines for Clinicians Barbara Acello

Clinical assessments are a central and daily part of every long-term care nurse's job. These resident assessments must cover all your clinical bases or residents' health will suffer, and repercussions will surface during survey time. Worse yet, insufficient or missing assessments can lead to lawsuits that your facility will lose. This guide features everything you need to ensure your assessment and monitoring processes are on track. *Resident Assessment and Monitoring for Long-Term Care* breaks down common procedures into easy-to-follow steps and offers valuable information on disease management and quality of life concerns. Written by a long-term care expert specifically for the long-term care setting, *Resident Assessment and Monitoring for Long-Term Care* provides critical reimbursement and regulatory advice. Author Barbara Acello, MS, RN draws on her more than 30 years of experience to fill this book with helpful and time-tested advice, guidelines, policies, and procedures for resident assessments.
