Unmasking Paulie Bingham (Paulie & Kate) (Volume 1) Anne Carter

Until Katrina Newman touched his face for the first time, British pop star Paulie Bingham was content with his openly gay lifestyle. That he could be any other way never entered his mind. Now, with Kate tugging at his heartstrings, he begins a journey of self-discovery that will lead him through the best-and worst-times of his life. Though her faith in him sometimes falters, Kate's love for Paulie never ebbs despite his obsessive ways, his foray into drugs and his habitual infidelity. But will his connection to a high-profile London murder case prove more than Kate & Paulie's tattered relationship can handle?
