Animal Magnetism: My Life with Creatures Great and Small Rita Mae Brown

Rita Mae Brown's earliest memory is of the soothing purr of Mickey, her family's long-haired tiger cat, who curled up and claimed a spot in her crib. From there, a steady parade of cats, dogs, horses, and all manner of two- and four-legged critters have walked, galloped, and flown into and through her world. In Animal Magnetism, the bestselling author shares the lessons she's learned from these marvelous creatures as well as her deep appreciation for them. We meet Franklin, a parrot with a wicked sense of humor; R.C., a courageous Doberman who defined loyalty and sacrifice; Suzie Q, the horse who taught Brown the meaning of hard work; and of course the beloved and prolific Sneaky Pie, who needs no introduction to her legions of fans. As funny as it is poignant, Animal Magnetism shows how these inspiring creatures can bring out the best in us, restore us to our greater selves, and even save our lives.
