The exciting first installment of the Joshua Taylor series VOLUME ONE: ON MIDNIGHT, AT THE EDGE OF DARKNESS.....Adventurous and thrilling... The year is 1774. Storm clouds are brewing over the Colonies. New England and the British military are at each others throats, the result of unfair taxation on the Colonies, yet deemed reasonable by the Crown for the price of protection.

During the American Revolution the inhabitants of the region were fully engaged, yet the colonists had mixed loyalties; some were dissatisfied with the British government and their 'Intolerable Acts', others were

loyal to the Crown and would defend the King's honor at any cost. In addition, native people of many tribes found themselves fighting each other.

This is the story of the Taylor family who lived on the western frontier of Pennsylvania, also in Philadelphia and New England. They, along with a host of friends and business associates, unite for the cause of liberty and freedom. Their loyalties will be tried and tested at every turn with the shifting tides of war.

Seen through the eyes of Joshua Taylor, an adventurous young man and his father Ethan, a veteran of the French and Indian War, their journey begins with political change and unrest sweeping the land. As the story unfolds you will witness patriotism, love, loyalty, courage, betrayal and tragedy. Follow them on this epic adventure as their way of life changes forever with the coming of the American Revolution.

Volume One: On Midnight, At the Edge of Darkness - Joshua is driven to become a man, facing many perilous events as his country moves toward independence. The British military continues to fortify their positions in the Colonies; while the Continental Congress struggles to find a path to peace. Follow these patriots as they take action and unite their fellow countrymen to fight for liberty and freedom.

Volume Two: TRUTH AND JUSTICE

Joshua and Ethan embark on different paths, the British continue their stranglehold on the Colonies.

Tensions arise in Philadelphia on all fronts for the Taylor family, both loyal and otherwise. Shadows from the west threaten Trinity Hills and Willow Glen, putting the settlers & natives on the high alert. Follow the Taylor family and their friends as the Continental Congress declares independence
