Terrorism and Organized Hate Crime: Intelligence Gathering, Analysis, and Investigations Michael R. Ronczkowski

In response to the current terrorist threat, law enforcement agencies at every level have expanded technological and intelligence-gathering initiatives in order to support new tactical, investigative and deployment strategies. The demand for homeland security requires that agencies hire professional and specially-trained criminal and intelligence analysts to find and pre-empt any potential threat.

Agencies must now determine how to train these analysts and properly identify and respond to critical intelligence. *Terrorism and Organized Hate Crime: Intelligence Gathering, Analysis, and Investigations* provides a framework for exploring the issues that all new or existing analysts and investigators must face, including what information to gather, how to analyze it, and the effectiveness of crime analysts investigating terrorism.

Training in proactive analytical-based investigation has been around for less than thirty years. Events now mandate that unavoidable importance of understanding "terrorism analysis." This expert overview provides the crucial foundation of criminal intelligence gathering and analysis and defines the nature of terrorism and its practitioners, subjects of vital importance if local agencies are to play an effective role in the battle against terror.
