The Dark Fields Alan Glynn

A pharmaceutical Faust-a journey through the darker side of ambition.

Imagine a drug that makes your brain function with perfect efficiency, tapping into your most fundamental resources of intelligence and drive. Imagine a drug that could make you learn a foreign language in a day and seduce a room-full of strangers in a matter of minutes. Imagine a drug that could make you process information so fast you could see patterns in the stock market.

Eddie Spinola is on such a drug. It's called MDT-48. It's Viagra for the brain-a designer drug that's redesigning his life.

Eddie's not the only one addicted to MDT, but now that his dealer is dead, he's the only one with a supply. While the drug is helping Eddie make the kind of money he's only dreamed about, he's also beginning to suffer the side effects: Blinding headaches. Violent outbursts. Ominous blackouts. And when Eddie tries to trace the other users, he discovers the terrifying truth. . .

The Dark Fields is a feverish reading experience that lingers in your mind long after the final page.

From reader reviews:

Reginald McDade:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each guide has different aim or perhaps goal; it means that e-book has different type. Some people truly feel enjoy to spend their time for you to read a book. They can be reading whatever they take because their hobby is actually reading a book. Consider the person who don't like studying a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you will require this The Dark Fields.

Celina Ziolkowski:

Have you spare time for a day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their own spare time to take a go walking, shopping, or went to often the Mall. How about open or even read a book called The Dark Fields? Maybe it is to become best activity for you. You realize beside you can spend your time with the favorite's book, you can better than before. Do you agree with it is opinion or you have additional opinion?

Marion Richey:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this The Dark Fields.

Adele Yeager:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But virtually any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but novel and The Dark Fields or maybe others sources were given information for you. After you know how the truly amazing a book, you feel wish to read more and more. Science guide was created for teacher or students especially. Those books are helping them to increase their knowledge. In other case, beside science reserve, any other book likes The Dark Fields to make your spare time a lot more colorful. Many types of book like this one.
