Dr. Derek Babineaux is intelligent, dedicated, and one of the best ER physicians in the fast-paced world of critical care at Tulane Medical in New Orleans. Always on top of his game, he's thrown off balance when the newest medical staff member finally unleashes his hidden desires.

Justin Delacroix's job at the inner city's busiest hospital might be just what he needs to ease back into civilian life after a long stint in the military. High-performing shifts make working as a trauma nurse at TMC the perfect way to utilize his skills and quick reaction times. There's only one problem, his attraction for one sexy ER doctor is off the charts, but he has his reasons for not returning Dr. Baby's night shift advances. Or maybe he doesn't.
