**Exposing Myths About Christianity: A Guide to Answering 145 Viral Lies and Legends** Jeffrey Burton Russell

Renowned historian, Jeffrey Burton Russell, famous for his studies of medieval history, turns to the serious questions that confront Christianity in contemporary culture. Russell examines a wide array of common misperceptions, characterizations, stereotypes, caricatures and outright myths about Christianity that circulate heavily within today's society, and are even believed by many Christians. In a succinct and engaging manner, Russell discusses these errors and provides thoughtful, even-handed, carefully researched and sharp-witted responses. The author sets the record straight against the New Atheists and other cultural critics who charge Christianity with being outdated, destructive, superstitious, unenlightened, racist, colonialist, based on fabrication, and other significant false accusations.
