Why I Believed: Reflections of a Former Missionary Kenneth W Daniels

This is a story of a true Christian who believed for nearly three decades, having grown up the son of evangelical missionary parents, later becoming a missionary himself. Yet he slowly lost his faith and now no longer holds it. In this part-autobiography, part-exposé, Ken traces his journey from evangelical missionary to secular humanist while remaining part of a committed Christian family. He looks back at a number of reasons he remained a believer for over a decade after his initial doubts began at university, critically evaluating each one in a separate chapter. Whether or not you agree with Ken's conclusions, you will find his journey and his reasons for taking it fascinating and informative. You will end up better understanding, if not appreciating, the mind of apostates whose desire is to follow the evidence wherever it leads.
