Elizabeth I: Collected Works Elizabeth I

This long-awaited and masterfully edited volume contains nearly all of the writings of Queen Elizabeth I: the clumsy letters of childhood, the early speeches of a fledgling queen, and the prayers and poetry of the monarch's later years. The first collection of its kind, *Elizabeth I* reveals brilliance on two counts: that of the Queen, a dazzling writer and a leading intellect of the English Renaissance, and that of the editors, whose copious annotations make the book not only essential to scholars but accessible to general readers as well.
