100 tiny tales of terror gave birth to 100 monstrosities.

The time has come for 100 more tales of terrible things to haunt your dreams and drive home a healthy dose of fear of those horrible creatures that dwell mostly in the darkness, but sometimes in the light.

Devour these Wicked Little Things in one sitting if you think your fragile mind can handle it, or drink them in one at a time and let your fright strangle your sanity as the fear really sinks in and takes hold.
