**Beyond Chutzpah: On the Misuse of Anti-Semitism and the Abuse of History** Norman Finkelstein

Meticulously researched and tightly argued, *Beyond Chutzpah* points to a consensus among historians and human rights organizations on the factual record of the Israel-Palestine conflict. Norman G. Finkelstein exposes the corruption of scholarship and the contrivance of controversy shrouding human rights abuses, and interrogates the new anti-Semitism. This paperback edition adds a preface analyzing recent developments in the conflict, and a new afterword on Israel's construction of a wall in the West Bank.
