19-year-old Emilee's broke and desperate. When a friend suggests she **sell her panties** to feed strange men's **taboo fetish**, she's game. She posted a few pics of her curvy body in her **sexiest lace thong** and within minutes the emails are pouring in from men who **have to have her panties**.

But then Emilee gets greedy! When one man offers extra money for in-person delivery, she should have said no, but couldn't resist the cash.

She's about to find herself **punished and taken** by a much older white man who's known her for years. The **untouched coed** is about to be taken **hard** and unprotected, but that's not all... The **alpha man next door** is going to make sure she learns her lesson--and **he's just the man to teach it to her**. Innocent young women have no business selling their panties for profit!

Don't miss this sexy, shocking, **taboo** tale of a **first time punishment** of a much younger, full-figured black woman by the older man who lived next door, for adults only! 8,200 words long.
