Everything to Live For (New Adult Romance Novella) Leslie Johnson, J Griffin

A stand alone novella

My shrink says it's not my fault, but he's wrong. I didn't kill my best friend, but I might as well have. I cancelled my plans with her... for a boy! She died. I didn't. The end.

Or so I wished.

Julie was ready for college, her career path firmly in place. She had a loving family and the most wonderful of friends. Everything was perfect until the day it wasn't. She relives that day again and again.

Guilt is a life sentence. Shame the cell walls. Isolation the bread and water we force upon ourselves. When Julie takes a timid step from her self-imposed prison, she has a moment of hope, then tragedy attempts to strike once again.

This time... maybe... Julia can save them all.

A deep and emotional coming of age story by Leslie Johnson and J Griffin
