Guide to Greece, Vol. 1: Central Greece

Pausanias

Guide to Greece, Vol. 1: Central Greece Pausanias

The first volume of the time-honored travel book about Greece, written 2,000 years ago

Written in the second century AD by a Greek traveller for a predominantly Roman audience, Pausanias' *Guide to Greece* is an extraordinarily literate and well-informed guidebook. A study of buildings, traditions and myth, it describes with precision and eloquence the glory of classical Greece shortly before its ultimate decline in the third century. This volume, the first of two, concerns the five provinces of central Greece, with an account of cities including Athens, Corinth and Thebes and a compelling depiction of the Oracle at Delphi. Along the way, Pausanias recounts Greek legends that are unknown from any other source and quotes a wealth of classical literature and poetry that would otherwise have been lost. An inspiration to Byron and Shelley, *Guide to Greece* remains one of the most influential travel books ever written.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Is it you who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This Guide to Greece, Vol. 1: Central Greece can be the solution, oh how comes? A book you know. You are so out of date, spending your time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Paul Kennedy:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Guide to Greece, Vol. 1: Central Greece can make you truly feel more interested to read.
