Adolf Hitler

Mein Kampf Adolf Hitler
Mein Kampf

This edition is the only German government funded and recognized version of Adolf Hitler's popular Mein Kampf (popularly known as My Struggle in English). James Murphy was invited by the NAZI Propaganda Ministry to translate the book in English so that the NAZI propaganda and vision can be disseminated in the English speaking countries too. This edition has both the volumes and is the James Murphy's original translation that you are viewing right now!

Mein Kampf was originally published in two volumes. Adolf Hitler started dictating Mein Kampf to Rudolf Hess when he was imprisoned in Festungshaft against the Beer Hall Putsch, a failed attempt of coup. One of the earliest translation was by James Murphy that received official recognition by the Third Reich. Actually James Murphy's translation was officially funded by the NAZI party ruling in Germany in a time/era which they called The Third Reich. However later when James Murphy isolated himself from NAZI ideology and chanted negative remarks and comments that were against the NAZI party and rule he was told by the NAZI Propaganda ministry to leave German soil immediately. He sent his wife later to Germany so that his original notes can be retaken. He completed his translation with the help of these notes.

Initially Hitler was naming his book "Viereinhalb Jahre (des Kampfes) gegen Lüge, Dummheit und Feigheit" or in English "Four and a Half Years (of Struggle) Against Lies, Stupidity and Cowardice". However he accepted the suggestion of Mein Kampf by Max Amann who was the publisher of Hitler's book(s). He was so passionate about his thoughts and ideas that he predicted that book will be an instant bestseller and will do for all the expenses of NAZI party in the future.

The book was not an instant success as per the records of sales until the year 1931 up to 1933 when Hitler won Chancellorship in Germany. A surge in the sales could be seen thereafter when Hitler already had started distancing himself from his first literary creation, his autobiography, Mein Kampf. He was so submerged and preoccupied with his new status that he started to call it a mistake to write such book that he called "fantasy behind the bars".

The tax accrued for Mein Kampf was about 405,500 Reichsmark (About \$1.5 Million in 2015) at the time he took up Chancellorship of Germany when his tax debts were written off.

By the time he had completed his first year as the chancellor of the Germany Mein Kampf had become an essential component of German social life. People are using the then Legendary book "Mein Kampf" for gifts, homage, education and for whatever, whenever possible. And by the time the WORLD WAR II ended the sales of Mein Kampf in Germany alone was toughing 10 Million mark. The book was running in top selling list for over a decade competing neck to neck and sometimes lagging behind the Bible.

Writing a book to disseminate his ideas concerning Nazism or Fascism had been important for Adolf Hitler until he finally reached his goal of Chancellorship. However, when the first book of two volumes, could not help him much in gaining ground in German politics he wrote his next book that was never published. Later in his last years, when the war was about to end, Adolf Hitler ordered his comrades to put the original manuscript in a locker under a shelter for Air Strikes. This book was an extension of NAZI viewpoints, ideas and propaganda. Hitler used his energy to further improve the NAZI ideology and engineer new components

and enhance the former ones.
