After taking a bullet in Iraq, Capt Tom Grafton is a bit over saving the world. But back in Australia its all anyone seems to want to do. Tom just wants to settle down with a nice girl, do his degree in architecture and build beautiful houses. But his would-be girl friend seems more interested in saving Africa than settling down. And the environmentalists infesting the architecture department seem mostly to be trying to save the world from people like Tom. Can't a man even go deer hunting in peace? "God I miss Iraq. At least i was allowed to shoot the insurgents."
