Beyond the horizon

Eugene O'Neill

Beyond the horizon Eugene O'Neill

(...) ", slender young man of twenty-three. There is a touch of the poet about him, expressed in his high forehead and wide dark eyes. His features are delicate and refined, leaning to weakness in the mouth and chin. He is dressed in grey corduroy trousers pushed into high laced boots, and a blue flannel shirt with a bright colored tie. He is reading a book by the fading sunset light. He shuts this, keeping a finger in to mark the place, and turns his head toward the horizon, gazing out over the fields and hills. His lips move as if he were reciting something to himself.

His brother ANDREW comes along the road from the right, returning from his work in the fields. He is twenty-seven years old, an opposite type to ROBERT—husky, sun-bronzed, handsome in a large-featured, manly fashion—a son of the soil, intelligent in a shrewd way, but with nothing of the intellectual about him. He wears overalls, leather boots, a grey flannel shirt open at the neck, and a soft, mud-stained hat pushed back on his head."
