Golf Dads: Fathers, Sons, and the Greatest Game Curt Sampson

The interplay between fathers and sons has long been one of golf's most essential and enigmatic relationships. In *Golf Dads*, the best-selling writer and former touring professional Curt Sampson brings to life ten remarkable stories of golfers, their fathers, and the game that brings them together. The stories feature well-known subjects such as Michelle Wie, Ben Hogan, Lee Trevino, and David Feherty, as well as some surprises, such as six-year-old phenom A.J. Beechler--not yet known to the world.

"This is a book about fathers," Sampson writes, "using golf as a wedge to pry open a few insights." We get up close with the embarrassing Byung Wook Wie and his talented daughter at a PGA Tour event in Pennsylvania; travel to the Mexican jungle for bogeys and butterflies with a club pro bearing his father's ashes in a black Hogan shag bag; journey to San Francisco for transplant surgery for a golf pro father from his golf pro son; feel the wonder and weight of fathering a six-year-old golfing sensation whose future is too bright to see clearly.

For fans of James Dodson's *Final Rounds*, *Golf Dads* is sure to resonate with anyone who has been handed a worn club by his father or who has watched his child swing a stick at a rock and marveled at the possibilities.
