From reader reviews:

James Nadler:

The book Same or Different (en español) can give more knowledge and information about everything you want. So why must we leave the good thing like a book Same or Different (en español)? Some of you have a different opinion about book. But one aim that book can give many data for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or information that you take for that, you may give for each other; it is possible to share all of these. Book Same or Different (en español) has simple shape however you know: it has great and big function for you. You can appearance the enormous world by start and read a book. So it is very wonderful.

Tonya Deschamps:

Information is provisions for people to get better life, information nowadays can get by anyone in everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Same or Different (en español) as your daily resource information.

Lloyd Lake:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This Same or Different (en español) can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

April Hannah:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but additionally novel and Same or Different (en español) or others sources were given know-how for you. After you know how the truly amazing a book, you feel want to read more and more. Science publication was created for teacher or perhaps students especially. Those books are helping them to add their knowledge. In additional case, beside science publication, any other book likes Same or Different (en español) to make your spare time much more colorful. Many types of book like this.
