Sport Development: Policy, Process and Practice, third edition

Sport Development: Policy, Process and Practice, third edition

At a time of profound change in the economic, social, political and sporting landscape, sport development faces important challenges. Now in a fully revised and updated third edition, *Sport Development: Policy, Process and Practice* is still the most detailed, authoritative and comprehensive guide to all aspects of contemporary sport development.

This book examines the roles of those working in and around sport development and explores the most effective methods by which professionals and volunteers can promote interest, participation or performance in sport. Combining essential theory with practical analysis, the book covers key topics, themes and issues found on the sport development curriculum, including:

- Sport policy
- Developing 'Sport for All'
- Community sport development
- Partnerships in sport
- PE and school sport
- Sport and health
- Resources for developing sport
- Voluntary sports clubs
- Sport development and coaching
- Disability and sport development
- Researching and evaluating sport development
- The Olympic and Paralympic Games
- International sport and development

Each chapter contains a full range of pedagogical features to aid learning and understanding, including revision questions, and case studies, while a new companion website provides additional teaching and learning resources, including useful weblinks for students and PowerPoint slides and a test bank for lecturers. *Sport Development: Policy, Process and Practice* is an invaluable resource for all students, researchers and professionals working in sport development.
