**Azula Carver (A Galaxy Unknown) (Volume 10)** Thomas DePrima

Throughout her career, Admiral Jenetta Carver had continually set aside her own interests for the good of the service as she worked tirelessly to bring peace to the Galactic Alliance. But the more she sacrificed, the more the people in power expected, and required, of her— without any apparent consideration for her personal happiness or work gratification. But when the Admiralty Board nominated her to be the next Admiral of the Fleet, and the Galactic Senate approved the appointment, all without first asking her if it was a role she was willing to take on, she decided she'd had enough.
