Blood Money

James Grippando

Blood Money James Grippando

New York Times bestselling author James Grippando delivers a powerful, nonstop thrill ride ripped from the headlines. Miami criminal defense attorney Jack Swyteck is back in his most frightening case yet, and this time the price of victory is measured in blood.

It is the most sensational murder trial since O. J. Simpson's. The nation is obsessed with Sydney Bennett, a sexy nightclub waitress and good-time girl accused of murdering her two-year-old daughter for cramping her party life. When he had agreed to defend Sydney, Jack Swyteck knew he'd be taking on the toughest and most controversial case of his career.

Millions of "TV jurors" have convicted Sydney in the court of public opinion.

When the shocking verdict of not guilty is announced, citizens across the country are outraged, and Jack is bombarded by the fallout: angry, profanity-laced phone calls and even outright threats. Media-fed rumors of "blood money"—purported seven-figure book and movie deals—ratchet up the hysteria, putting Jack's client and everyone around her at risk.

On the night of Sydney's release, an angry mob outside the jail has gathered to serve its own justice. In the frenzy, an innocent young woman bearing a striking resemblance to the reviled Sydney Bennett ends up in a coma. While the media blame Jack and his defense team, the victim's parents reach out to him, requesting his help. They don't believe the attack was the tragic result of random mob violence.

Searching for the truth about what happened that night, Jack makes a frightening discovery. Larger and much more powerful forces are working in the shadows, and what happened outside the jail is a symptom of an evil that infected the show-stopping trial and media-spun phenomenon of Sydney Bennett.

From reader reviews:

Karen Lheureux:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each guide has different aim or goal; it means that book has different type. Some people truly feel enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is usually reading a book. Consider the person who don't like looking at a book? Sometime, particular person feel need book whenever they found difficult problem or even exercise. Well, probably you will require this Blood Money.

Audrey Patton:

Often the book Blood Money will bring one to the new experience of reading a new book. The author style to clarify the idea is very unique. In the event you try to find new book to see, this book very ideal to you. The book Blood Money is much recommended to you you just read. You can also get the e-book from official web site, so you can more readily to read the book.

Eugene Ruano:

You may spend your free time to see this book this reserve. This Blood Money is simple to bring you can read it in the park your car, in the beach, train along with soon. If you did not have much space to bring typically the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Donald Warren:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Blood Money can make you feel more interested to read.
