Sophie, Mia, and Charlotte are three sexy, mature women -- who just happen to be best friends. They're all married and happy... but the spark of life just seems to be escaping them as of late.

And so when they decide to book a wonderful adventure, the trio of gorgeous MILFs set off on a wives only holiday.

What begins as a rather relaxing time, quickly takes a lusty turn once the three women start discussing their lackluster love lives -- carnal secrets are revealed and decade old desires are fulfilled at last...

But what might their husbands think if they ever find out?
