Rachel Kramer Bussel's bestselling books of submissive women and dominant men showcase our fantasies, desires, and deepest wishes. For those (and there are MANY) who love to be tired up, spanked, blindfolded, bound, or "used," for another's pleasure, these are books of inspiration. And, of course, these smart subs are getting exactly what THEY really want in very many ways.

Good BDSM erotica makes us understand all the emotions that can come into play when, well, playing: there can be uncertainty, nervousness, fear, excitement. Each of the 22 stories in *Surrender* are blazingly hot and because they illuminate some aspect of submission. The authors of the stories understand the art of submission and the thrill of surrender, whether that's personal space, sight ("Without Eyes" by Terri Pray) or culinary choices ("Lunch" by Elizabeth Coldwell). What the women here want is to give up part of themselves to gain something else. They may still be skittish, but overcoming their fears, surrendering to them, yields beauty, pleasure and, in its way, power.
