**The Secret of Paradise: Mysteries of the Pacific Coast of Ecuador (Black and White)** Patricio Tamariz, Bo Rinaldi

The Secret of Paradise presents the deep and profound truth that we as human beings can live together in harmony with nature and each other. These secrets are most evident in the rich culture, beauty, and history of Bahía de Caráquez, Ecuador, which is the central area of the country, where Patricio Tamariz lives, works and has found the inspiration to create this work. The Secret of Paradise focuses on the Pacific Coast of this rich and colorful nation, and as soon as I met Patricio and his family in 2011, I knew he held the secrets of the past and the keys to our future and that we needed to share these with everyone. Being a best-selling and widely published author and entrepreneur, I immediately knew we had a message that the entire world needs to know. You have now found the keys to this secret, and we believe that by knowing these, your life will be forever changed as well.

Patricio is an ambassador for peace, a living example of being in harmony with nature and all the people of the world. He and his family own Casa Grande, a beautiful retreat right on the tip of Bahía. They also own the spectacular and historically breathtaking Eco-resort known as Chirije, an amazing archaeological site, which as you will discover from reading this book, also holds many of the secrets. Patricio has helped start the first Surf Association in Ecuador, created the Spondylus Trail project, was the First Executive Director of Tourism Promotion for Ecuador, and now develops the coastal properties of the area, using sustainable and thoughtful means. He is a sought after consultant for anyone interested in sustainable agriculture and aquaculture, tourism, community and businesses of all kinds as he truly lives his passion. You see, in 1998 when El Niño hit Bahía, he and his family, with the help of hundreds of friends and dozens of key agencies, had to set out to rebuild their area, they rose above that devastation together, and created the movement for one of the world's first and most incredible Bioregional cities, Bahía de Caráquez, Ecuador. It is one of the most beautiful places on our planet, and the center of interest for our work together in revealing these Secrets of Paradise.
