**After the Fall: American Literature Since 9/11** Richard Gray

*After the Fall* presents a timely and provocative examination of the impact and implications of 9/11 and the war on terror on American culture and literature.

- Presents the first detailed interrogation of U.S. writing in a time of crisis
- Develops a timely and provocative argument about literature and trauma
- Relates U.S. writing since 9/11 to crucial social and historical changes in the U.S. and elsewhere
- Places U.S. writing in the context of the transformed position of the U.S. in a world characterized by political, economic, and military crisis; transnational drift; the resurgence of religious fundamentalism; and the apparent triumph of global capitalism
