Dance Dance Dance

Haruki Murakami

Dance Dance Dance Haruki Murakami

In this propulsive novel, one of the most idiosyncratically brilliant writers at work in any language fuses science fiction, the hard-boiled thriller, and white-hot satire into a new element of the literary periodic table.

As he searches for a mysteriously vanished girlfriend, Haruki Murakami's protagonist plunges into a wind tunnel of sexual violence and metaphysical dread in which he collides with call girls; plays chaperone to a lovely teenaged psychic; and receives cryptic instructions from a shabby but oracular Sheep Man. *Dance Dance Dance* is a tense, poignant, and often hilarious ride through the cultural Cuisinart that is contemporary Japan, a place where everything that is not up for sale is up for grabs.
