## **Eight.** Katie Salyer

At the young age of ten, Kaili Taylor was taken from her military based family at a gas station in Nevada. Eight years later, she's found in a basement in Los Angeles and discovers her brother is a world-wide pop sensation. With both their parents gone, Mark and Kaili Taylor take the world head on with help from Mark's best friend Tanner, his manager Lia, and his girlfriend Natalie. The four team up against all odds and use the power of love to help Kaili as much as possible. Tanner, the loyal best friend, helps Kaili by becoming a second protector behind Mark. He puts all trust in her by telling her about his past and helping her battle her inner demons set in place by the kidnapper. His protective instincts over her are just as powerful as Mark's, which he proves in various ways. Lia makes it her personal goal to make sure Kaili feels safe and stable. She struggles with her duties as a manager as she takes on the role as a mother figure for both Mark and Kaili. Her drive and focus are tested the second she meets Kaili and realizes her job is no longer centered around just the pop star. Mark's picture perfect girlfriend Natalie also plays a pivotal role in shaping Kaili into a woman of today's society without giving in to the norm. Her sweet spirit and genuine heart helps Kaili learn what it's like to have a best girl friend who's there for her. This power team is faced with many obstacles ranging from a pregnancy to finding out the terrifying truth about Kaili's kidnapper. She is thrust into a crazy world with nothing but her memories and her father's military tags. She goes from only hearing one voice for eight years to avoiding massive crowds of people on a daily basis. Mark and his team make it their mission to fix everything in Kaili's life, even if it means jeopardizing his career. Mixed emotions, confusing feelings, and life-changing revelations consume the siblings and they trudge through life one day at a time. They say only time can heal wounds, both emotional and physical.

### **From reader reviews:**

#### **Richard Capps:**

Playing with family in a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try matter that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Eight., it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't get it, oh come on its named reading friends.

#### **Kevin Shepherd:**

This Eight. is great guide for you because the content which is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it info accurately using great coordinate word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Eight. in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no e-book that offer you world throughout ten or fifteen second right but this e-book already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt that?

#### **Barbara Roundtree:**
