Popular Rhymes of Scotland (Classic Reprint) Robert Chambers

Excerpt from Popular Rhymes of Scotland

The purpose of this work is to supply a presumed desideratum in popular antiquities. The various collections of Percy, Evans, Scott, and others, have now probably given to the world nearly all that is worth preserving of the songs and ballads of our island; and this section of British traditionary poetry has been received amongst the cultivated intellects of the country with a degree of favour which could not have been dreamed of in the days of Milton and Dryden. Careless unaffected graces, simple pathos and humour, the total absence of all those marks of the chisel of the literary workman, and of all those strainings after effect which mar the merits of so much elegant literature, have secured for these wildings of the national intellect an affectionate admiration and regard, of which many modern writers of native and acquired skill might well be envious.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
