Security Supervision, Second Edition: Theory and Practice of Asset Protection IFPO

Security Supervision: Theory and Practice of Asset Protection, Second Edition has been completely updated to include 24 new chapters and five chapters revised from the 1995 edition. Written by 46 of the industry's leading security supervisors, authors, educators, and consultants, this volume is a complete source of training information for the aspiring security supervisor. It will improve knowledge about the diverse critical issues affecting today's security professional including personnel selection, quality control, and outsourcing. Security Supervision will guide the security professional to a complete mastery of leadership skills.

The International Foundation for Protection Officers (IFPO) was established as a non-profit organization in January 1988 for the purpose of facilitating the training and certification needs of protection officers and security supervisors from both the commercial and proprietary sectors. It has developed two comprehensive distance delivery styled courses; the Certified Protection Officer (CPO) program and the Certified Security Supervisor (CSS) program. Many corporations and institutions have adopted these programs and integrated them with their existing staff development process and training guidelines. The Foundation also publishes a quarterly newsletter, Protection News, with circulation to all IFPO members as well as candidates enrolled in either the CPO or CSS programs. This publication is designed to keep professionals current on trends within the security industry and is full of valuable information and commentary pertinent to the enhancement of life safety and property protection.

Completely updated with 24 new chapters

Enhances learning with various forms and quizzes at the end of chapters

Completion of the Security Supervisor Program is the initial step towards designation as a Certified Security Supervisor (CSS).
