The Alpha's Omega: The Complete MPreg Series Rory Adams

Cameron is a young omega with very little resources left. He's hungry, alone, and desperate for a job. Cameron gets lucky when he sees an ad posted for a keeper of a mansion. Only, there's a catch: the owner of the house, Jackson, is a wealthy, muscled alpha with his eye on the young omega.

Cameron nervously takes the job, putting him in close proximity of the alpha's musk and raw strength. He can hardly keep his composure around his new boss, but does his best to keep a distance. Jackson feels a protective nature for Cameron, along with an insatiable need to knot the young omega. However, Jackson's dark past could prevent the two from ever mating...

This series contains raw, first time gay romance, knotting, and male pregnancy.
