Who Do I See? Salina Yoon

Who Do I See? is a lively guess-the-animal book that features different colors and animal patterns in a fun and instructional way. Each animal sports a different shiny foil pattern with a different set of colors, and young readers are invited to guess who the animal behind the die-cut window is, such as:

Whose orange-and-black stripes do I see? (An orange-and-black tiger!)

Simple repetition, clear patterns with bright colors accented by holographic foil, familiar animals, and hidden education give this book a leg up on all of the other animal identification books in the marketplace.

Learning through play has never been so much fun!
